

Careers in... Media & Entertainment

Arts & Culture Sport & Recreation Hospitality Tourism Information Media Telecommunications Printing

The media and entertainment industries are exciting and diverse. Specialised skills are highly sought after, presenting opportunities to work in Australia and overseas.

Media

**Film :: Screen and Media :: Television :: Broadcasting ::
Digital Media :: Multimedia :: Production :: Radio ::
Make-up :: Costume :: Scenery and Set Construction**

Media is a vital source of entertainment, information and leisure for a wide Australian audience. Through the activities of telecasting, television broadcasting, radio broadcasting, television film, multimedia, cinema operation, motion picture screening, digital media and motion picture distribution, Australia reflects its social, political, economic, and cultural values.

Entertainment

**Live Production, Theatre and Events :: Design :: Make-up ::
Costume :: Technical Production :: Stage Management ::
Scenery and Set Construction**

The entertainment and theatre industry comprises of a broad diversity of activities and is a major contributor to Australia's social, cultural and artistic landscape. Within this industry, the ability to be versatile, multi-skilled and flexible are key factors to success, as most employment is project based and dynamic. The entertainment industry can be divided into the sectors of production (the preparation of costumes, make-up, set construction and technical production), design (graphic, furnishing, set/scenery, lighting and fashion design) and management (of venues, events and customer service).
