

WA Tourism Awards 2010

Tourism Education and Training Award

The WA Tourism Awards which are hosted by Tourism Council WA (TCWA) are in their 38th year. The Awards celebrate and acknowledge tourism businesses and employees that have demonstrated outstanding achievement and success throughout the year. The Awards are recognised as the most prestigious Awards in the tourism industry.

The Awards are held annually and are a submission based competition. The Awards Gala Dinner provides the opportunity to publicly recognise and exhibit the State's finest tourism operators.

TCWA encourages education and training providers to consider entering the Awards as essentially they are the backbone of the future of the tourism industry and should be showcased for their efforts.
