

# MAJOR PLAYERS, ON AND OFF THE FIELD.

Have boundless drive and passion for your sport? Get your kicks from the tangible energy of community-level sports or the high-profile and high-performance of elite-level sports? Love being part of a team, whether competing or creating opportunities for others to participate, develop skills and enhance performance? And do you love it enough to devote some weekends and evenings too?

**THEN YOU'RE IN THE RIGHT GAME.**

## LOVE

- Sport
- Being part of a team
- Developing skills
- Enhancing performance
- Striving to be the best

## STRENGTHS

- High energy, drive and resilience
- Ability to work with many different personalities

## PREFER

- A structured and disciplined environment

## DEAL BREAKERS

- Working alone, without connection to others

## WHERE COULD ALL YOUR ENERGY AND DRIVE TAKE YOU?

Be and beat the best as an athlete or be the major driving force behind the athletes competing around Perth and WA, nationally or even internationally. You can choose to be at grass-roots community level, working or volunteering at leisure centres, schools, after-school sports or local sports clubs, or at the high-performance elite level at top sporting clubs, institutes and organisations.

- Sporting clubs, institutes, and organisations
- Schools and after-school sport organisations
- Leisure centres

## DEVELOP, ELEVATE, AND EXCEL.

### ATHLETE

- Training, competing and pushing yourself to the limit in sports at a local, national and/or international level
- Engaging in fundraising, marketing and sports media

### SPORTS COACH

- Overseeing athletes' training and development, as well as nutrition, recovery, mental health and social impacts on their sporting performance
- Creating a cohesive, high-performing, winning team and analysing strengths and weaknesses in team play and other teams' performances
- Engaging with key stakeholders, including media, sports management and board members

### SPORTS UMPIRES AND OFFICIALS

- Reviewing and officiating rules and regulations of sporting games, events, or competitions
- Making the best quick decisions and judgements, while ensuring the safety of athletes and smooth-running of games

### SPORTS TRAINER

- Assisting athletes with injury management, recovery and prevention at training and games
- Improving athletes' chances of returning to the game at full capacity as soon as possible

## GET THE BALL MOVING BEHIND THE SCENES.

### SPORTS TALENT AND DEVELOPMENT MANAGER

- Discovering and recommending new up-and-coming talented athletes for the sports club
- Creating pathways and opportunities for new talent to be recognised and developed
- Assisting and educating local clubs and schools to improve their sporting programs and maintaining good networking links

### SPORTS CLUB MANAGER

- Overseeing the management of logistics, finances, communications and marketing to create a club that athletes, coaches, support staff and members will want to be a part of
- Securing the club's training grounds and facilities and making key decisions about the team's participation in national and international events

## WHERE TO FROM HERE? EXPLORE YOUR PATHWAYS.

### VOCATIONAL TRAINING

- Certificate I, II & III in Sport and Recreation (Codes: SIS10115, SIS20115 & SIS30115)
- Certificate IV in Sport Development (Code: SIS40421)
- Diploma of Sport (Code: SIS50321)

### TRAINEESHIPS

- Giving you the opportunity to combine practical experience at work with structured training, you enter a formal training contract with an employer that leads to a nationally recognised qualification. And you spend most of your time in paid employment. Available for certificate levels 2, 3 and 4.

### UNIVERSITY COURSES: EXERCISE AND SPORTS SCIENCE

- There are a wide range of sports courses available at bachelor, graduate diploma and associate degree levels throughout Western Australia in the following specialist areas:
  - Exercise and sports science
  - Exercise science and rehabilitation
  - Exercise science, strength and conditioning
  - Sports business
  - Nutrition and food science
  - Psychology
  - Sport, recreation and event management
